COMMITTEE ON THE JUDICIARY
SUBCOMMITTEE ON CRIMINAL LAWS AND PROCEDURES
(PURSUANT TO SEC. 7 OF S. RES. 32, 92D CONGRESS)

WASHINGTON, D.C. 20510

July 23, 1971

Kel Corporation
778 Pleasant St.
Belmont, Mass.

Gentlemen:

As you may be aware, the Subcommittee on Criminal Laws and Procedures is now in the process of preparing to hold hearings to determine how the provisions governing electronic surveillance of Title III of P. L. 90-351 (18 U.S.C. §2510-20), which were enacted in 1968, have been implemented and what impact they have had on the electronics industry. In this connection, it would be appreciated if your firm would prepare a report for the use of the Subcommittee on the impact of Title III on your business. It should be as comprehensive as possible and contain at least the following:

1. The volume by character, unit and value of surveillance equipment manufactured, assembled or sold.
2. The character of advertisements employed by your firm to promote its sales.
3. The classes of individuals, including law enforcement agencies, private detectives and general public with whom your concern deals.

Please cover separately each year for the period from 1965 to date and assess what impact, if any, the enactment of Title III of the 1968 Act has had on your company's policies and practices. Your suggestions for possible amendments to Title III, along with justifying reasons, would also be welcome.
